Modern warfare doesn't work stays spent. There is no salvage or recovery possible. The fact most persons will find amazing is the tremendous quantity of ammunition being used by the Eighth Army in Korea, 40,000 tons a month. That's as much every day as any of Eisenhower's armies fired on the peak days of offensive fighting in World War II.

In the trad magazine Steelways George Fielding Elliott points out this is expended "just in suppor of patrol and outpost actions and sporadic minor combats." It does not include the steel in the bombs or rockets poured on the reds by the Air Force and the Navy. Much of the ammunition used in the first year of fighting in Korea was left over from World War 14. Production facilities had not been maintained—and it takes 15 months to convert a big machine

shop to making 105-mm shells.

Machine tools are still a bottlenock. But shell cases are being made of steel now, instead of scarce copper. A combat lieutenant can call for three tons of hot

Today's Quiet Moment By the Rev. Curtis L. Loux Pastor Oaklihurst Chapel, Penndel

Psalms 46:19: "Be Still and Know that I am God"

Is your life a busy one? Are you caught in the rush of things? Have you taken time to wait upon the Lord? Have you asked His guidance in your life? Are you weary of the unending rush of things?

Listen to the Psalmist; Be still and know that I am God. Man's extremity is God's opportunity. God is ready to help you in your difficulty, but He wants you to be still. God is in His Heaven: He is the same that He was in the days when He fed the children of Israel manna, in the wilderness: He is the same that delivered Daniel from the lion's den. He is able to deliver you, but you must be willing to be still.

What does He want to show us? First of all: He wants to show us His redemption. His redemption is found in His Son, the Lord Jesus Christ. "This is my beloved Son, hear ye Him". Have you listened to the Son of God? He is waiting for you; "Come unto me all ye that are heavy laden, and I will give you rest." The Son of God died for you. He arose from the dead. He ascended into Heaven, where He is interceding for you, from whence He is coming again to receive you unto Himself.

Was Problem to Lusters

After Living 5 Years In 28-Foot Home

LEVITTOWN-Expanding a family of five from a 28-foot auto trailer into a Levittown house might their three sons, when they came to 15 Grove lane Nov. 1.

"When we moved the furnishings everything." Mrs. Luster says. The Lusters had lived in their trailer five years, three of them at Liberty City Line, and in that time had learned just where to put themselves and their possessions.

Psalms 46:19: "Be Still and Know that I am God"

Is your life a busy one? Are you caught in the rush of things? Have you taken time to wait upon the Lord? Have you asked His guidance in your life? Are you weary of the unending rush of things?

Listen to the Psalmist; Be still and know that I am God. Man's extremity is God's opportunity. God is ready to help you in your difficulty, but He wants you to be still. God is in His Heaven: He is the same that He was in the days when He fed the children of Israel manna. in the wilderness: He is the same that delivered Daniel from the lion's den. He is able to deliver you, but you must be willing to be still.

What does He want to show us? First of all: He wants to show us His redemption. His redemption is found in His Son. the Lord Jesus Christ. "This is my beloved Son, hear ye Him". Have you listened to the Son of God? He is waiting for you: "Come unto me all ye that are heavy laden, and I will give you rest." The Son of God died for you, He arose from the dead, He ascended into Heaven, where He is interceding for you, from whence He is coming again to receive you unto Himself.
